FY03

This AGREEMENT dated the 19th day of FEB 2003, is entered into by and between the BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY, hereinafter "County," on behalf of the TOURIST DEVELOPMENT COUNCIL, hereinafter "TDC," and Mel Fisher Maritime Heritage Society, Inc., a Florida not-for-profit corporation, hereinafter "Contractor".

WHEREAS, the third penny of Tourist Development Tax may be used to acquire, construct, extend, enlarge, remodel, repair or improve, convention centers, sports stadiums, sports arenas, coliseums, auditoriums, fishing piers, museums, zoological parks, nature centers and beaches which are publicly owned and operated or owned and operated by not-for-profit corporations, and

WHEREAS, Contractor has applied for funding for the Mel Fisher Maritime Museum Repair and Improvement Phase III project to repair and improve the Mel Fisher Maritime Museum property hereinafter "the Property"; and

WHEREAS, the County and TDC have determined that it is in the best interest of the County, for purposes of promoting tourism and preserving the heritage of the community, to repair and improve the property for use as a museum open to the public;

NOW, THEREFORE, in consideration of the mutual covenants and payments contained herein, the Contractor and the County have entered into this agreement on the terms and conditions as set forth below.

1. AGREEMENT PERIOD. This agreement is for the period February 19, 2003 through December 31, 2003. This agreement shall remain in effect for the stated period unless one party gives to the other written notification of termination pursuant to and in compliance with paragraphs 7, 12 and 13 below.

2. SCOPE OF AGREEMENT. The Contractor shall provide such materials and services as are required for the replacement of windows, installation of central HVAC systems and exhibition designer services.

The recipient of TDC capital project funding shall designate a project manager if no licensed architect, engineer or general contractor is involved in the project. If the project is performed by County or City personnel, the project manager shall be the Engineer, Building Official or Construction Manager of that local government.

3. AMOUNT OF AGREEMENT AND PAYMENT. The County shall provide an amount not to exceed \$375,320 (Replacement of windows - \$225,320; Installation of central HVAC system - \$90,000; Exhibition designer services - \$60,000) in reimbursement for materials and services used to improve and repair the property. The Board of County Commissioners and the Tourist Development Council assume no liability to fund this agreement for an amount in excess of this award. Monroe County's performance and obligation to pay under this agreement is contingent upon an annual appropriation by the BOCC.

a). Payment for expenditures permissible by law and County policies shall be made through reimbursement to Contractor upon presentation of invoices, canceled checks and other documentation necessary to support a claim for reimbursement. Included in said documentation

shall be proof that the Contractor has received and applied to the property matching funds equivalent to or greater than the amount invoiced to the County. Submission of invoices must be certified through a statement signed by an officer of the organization and notarized, declaring that representations in the invoice are true and factual.

b) Application of matching funds requires actual payment of the matching funds, or, in the alternative, a commitment of said funds and that the portion of the project for which the matching funds are to be used has been sufficiently completed to require payment of said matching funds. Mere obligation through execution of a contract or approval of a budget item to be paid from matching funds will not suffice.

c) Documentation shall be submitted to the TDC Administrative Office to show the receipt and application of in-kind donations of goods, professional services, and materials. Said documentation should include invoices, bills of lading, etc., and be verified as received and applied to the project through a notarized statement of the project architect, engineer, general contractor or project manager. The receipt and application to the project of volunteer labor are to be documented and verified by notarized signature of the project architect, engineer, general contractor or project manager, and said documentation submitted to the TDC Administrative Office. All submissions should have a proposed schedule of values for phases and indicate the percentage of completion of the overall project as of the submission. This document should be signed by the project architect, engineer, general contractor or project manager.

4. **REPORTS.** The Contractor shall provide financial reports in summary of activity on forms provided or approved by the TDC, and quarterly narrative reports of activity under the approved work plan. The Contractor shall keep such records as are necessary to document the performance of the agreement and expenses as incurred, and give access to these records at the request of the TDC, the County, the State of Florida or authorized agents and representatives of said government bodies. It is the responsibility of the Contractor to maintain appropriate records to insure a proper accounting of all funds and expenditures. The Contractor understands that it shall be responsible for repayment of any and all audit exceptions which are identified by the Auditor General for the State of Florida, the Clerk of Court for Monroe County, the Board of County Commissioners for Monroe County, or their agents and representatives. In the event of an audit exception, the current fiscal year grant award or subsequent grant awards will be offset by the amount of the audit exception. In the event the grant is not renewed or supplemented in future years, the Contractor will be billed by the County for the amount of the audit exception and shall promptly repay any audit exception.

5. **MODIFICATIONS AND AMENDMENTS.** Any and all modifications of the terms of this agreement shall be only amended in writing and approved by the Board of County Commissioners for Monroe County.

6. **INDEPENDENT CONTRACTOR.** At all times and for all purposes hereunder, the Contractor is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this agreement shall be construed as to find the Contractor or any of its employees, contractors, servants or agents to be employees of the Board of County Commissioners of Monroe County, and they shall be entitled to none of the rights, privileges or benefits of employees of Monroe County.

7. **COMPLIANCE WITH LAW.** In carrying out its obligations under this agreement, the Contractor shall abide by all statutes, ordinances, rules and regulations pertaining to or regulating the provisions of this agreement, including those now in effect and hereafter adopted. Any
